

Party A (supplier) : xxxxxxxxxx

Party B (purchaser): xxxxxxxxxx

According to the "Civil Code of the People's Republic of China" and its relevant laws and regulations, in order to clarify the rights and obligations of Party A and Party B, Party A and Party B have reached the following agreement through friendly negotiation regarding Party A's supply of goods to Party B during the contract period:

1. Supply of goods

a. The variety and quantity of goods supplied by Party A to Party B shall be subject to the order confirmed and stamped by both parties.

b. When Party A launches a new product, it should recommend it to Party B as soon as possible in order to jointly create business opportunities. If Party B confirms the operation, relevant procedures will be handled according to Party B's new product admission procedures.

2. Quality of goods

a. The quality of the goods supplied by Party A to Party B shall comply with the national standards and industry standards of the goods. If there are no national standards or industry standards, the general standards or the specific standards consistent with the purpose of the contract shall be followed.

b. Every time Party A supplies goods to Party B, both parties can agree on the specific quality standards of the goods on the order. When supplying Party B's commodities, Party A shall submit the certificate of quality or quality assurance of the commodities supplied.

3. Price of goods

a.The detailed price shall be based on the unit price negotiated by Party A and Party B.
